

VALENTINE'S PICNIC

HOSTEL*Surprise!***SHARING ... CARING**

The hostel's Valentine's Day event was held on Tuesday 11 February . It was a picnic/karaoke evening that we arranged on our soccer fields, overlooking the Coetzenburg mountains. Feedem, the hostel's caterers, set the tone with a delicious ,valentine's themed snack box for every girl. The evening was, however, about more than the food, it was about the love we share as sisters . We sang together . We danced together . We embraced the talents and gifts we rarely share with each other.

**HOSTEL: SISTERS FOREVER**

As the sun set , the Grade 8s surprised their matrics with sonnets of appreciation that they had written themselves .

The sense of unity among the hostel girls was tangible and a reminder that it is so important to show appreciation to those in your life who add value and give you a sense of belonging.
