

Dear parents,

Welcome back to term 2. We've got exciting news! Your Karri app has had a facelift.

The Karri team are continuously improving their app to make it simpler and more convenient for you to make payments to the school. This new version is easier to navigate and much, much faster!

### What is new on Karri:

- Easier, cleaner layout
- Full transaction history
- Filtered calendar view of upcoming collections
- Improved wallet view
- Easier payment methods
- Receipt functionality

### Not a Karri User?

Karri is an innovative mobile payment application which allows you to make quick payments for school collections using your smartphone. Karri is powered by Nedbank, which ensures the safety and security of all information loaded onto the app but will allow parents with any bank to make use of the app.

There is NO charge for this application. It is FREE to download from either the Apple Store or Google Play Store plus, it uses less data than Whatsapp!

*If at any point you struggle using our new system, contact Karri's support team directly on 021 300 1867, [support@karri.co.za](mailto:support@karri.co.za) or via the in-app live chat function.*

Kind regards,  
The Karri Team
