Dear Grade 8 Parents

Business Simulation – EMS Project

On Friday 5 February 2016 the Grade 8 learners will be doing their “project” for the term.

The project takes the form of a Business Simulation that will take place in the school hall during normal school hours. The simulation will be presented by an outside company and all of the Grade 8s will be divided into groups of 6 – 7 learners and spend the day working on group and individual assessment tasks.

It is very important for the Grade 8 pupils to attend this day as this assessment is their project mark for the term.

The learners wear their school uniform and need to bring a pen, pencil, eraser, calculator, kokis as well as colour pens and pencils.

The Grade 8s do not need to bring any other school books on this day as the simulation will run for the full school day.

Yours faithfully.
