

# RGHS GOLF DAY

The Rhenish Golf Day committee is in full swing to ensure that this year's Golf Day is once again *THE* fundraising event of the year!

With your involvement, by simply booking a 4-ball or sponsoring a hole or prizes, we guarantee that 2016's Golf Day will be the most memorable ever.

Besides playing a round of golf on the most picturesque golf course in the world, there will be on-course entertainment, fantastic prizes to be won and many more exciting items, not to mention the three-course dinner in the evening.

If golf is not your game, enter a team into the Boules competition. This event has become a tradition preceding the golf tee-off and promises to be a fun-filled and memorable occasion.
