Dear Parents

## **Stellenbosch Eisteddfod 2020**

By now, the Voice learners have all received their repertoire to participate in the annual Stellenbosch Eisteddfod. I have completed the entries for each individual voice learner and would like to relay the following information concerning payment.

All payments must be made by Karri app with clear reference: **S'bosch E'fod (V) with surname and initial of learner**. Each category costs R60 and the girls will receive notification of the final amount determined by the number of categories they have entered.

All payments must please be made by Friday 29 February 2020.

**Accompaniment for Eisteddfod:** There will be a separate fee for the accompaniment to be paid in the second term, closer to the date of performances. Accompaniment is a vital aspect of success and, along with preparation for the Eisteddfod, a singer cannot sing without an accompanist.

Thank you for the privilege of working with your child – it is a joy to see the development in her voice as well as in her personality as she takes this journey.

Yours sincerely
