Dear Choir parents

## **CHOIR Camp 25 - 26 January 2019**

This is the first time the choral workshop will be held at school and not as a weekend camp at Mispa. While some may be disappointed, our motivation for the change is twofold: it is both a cost cutting and a time saving exercise. The hiring costs for buses to transport the girls is prohibitive and cutting out the travelling means that the girls have the time to catch up on their sleep AND they rest better in their own beds.

The girls may come to school in civvies on Friday. They should bring swimming costumes in case we need to have cool down in between at school swimming pool.

As we only have these two days to study the entire year's repertoire, it is absolutely vital for your child to attend. This is also where the choir girls as a very large group (120 girls) and prepare for the Open day on the 13 February 2019.

Thank you for the privilege of working with your children and equipping them with social and emotional skills which they can use in their life ahead.

Yours sincerely
