24 January 2020

Dear Grade 8 Parents

Business Simulation Project

On Thursday 30 January 2020 the Grade 8 learners will tackle their Economic and Management Science (EMS) "project" for the term. The project will take the form of a Business Simulation experience that is presented by an outside company and it will take place in the Ebenezer Hall during normal school hours.

The learners are divided into groups of 6 – 7 and they complete both group and individual assessments. It is very important for the Grade 8 learners to attend this day as this assessment is their project mark for the term.

The learners wear their school uniform and need to bring a pen, pencil, eraser, calculator, kokis as well as colour pens and pencils. The Grade 8s need not bring any other school books or their tablets to school on this day as the simulation will run for the entire school day.

Yours sincerely

Ms J Senekal
EMS Teacher

Ms Helmien Slabber
Principal
