

Applications for re-marking or rechecking of the November 2019 examination scripts will take place from

8 – 22 January 2020.

No late applications will be accepted.

**Details for registration are available from
wcedonline.westerncape.gov.za.**

1. Who qualifies?

Candidates may submit an application for the re-marking or rechecking of their scripts if they feel that the mark allocated is not a true reflection of their performance on the papers written.

- A **re-mark** means that the original answer script is marked for a second time by a marker. It does NOT necessarily mean that the mark will be adjusted upwards.
- A **recheck** of your script is a further check to ensure that all questions were duly marked and that all marks were correctly calculated.

NO-FEE SCHOOLS are exempted from paying for a re-mark!

2. The cost for re-marking and rechecking is:

FEES	Re-checking: R27,00 per subject
	Re-marking: R112,00 per subject
	Viewing: R219,00 per subject (Only after re-marking and re-checking)

Note: Fees for rechecking and viewing are not refundable.
