Dear Rhenish Parents / Learners

Countdown to the End of Term

It seems quite incredible that the end of the academic year – and 2020 as a whole - is nearly in sight. I am extremely proud of our learners – under very difficult circumstances they have embraced all the challenges and slowly but surely got used to a different way of doing things at school.

The exams are nearly over but we need to finalise the final stretch of this year.

Please take note of the final arrangements for the rest of the year:

Textbooks

We want to provide all learners with textbooks for 2021. It is very important, therefore, that all textbooks for 2020 are returned. **NO textbooks will be issued to a learner who has ANY textbooks outstanding, until all the textbooks are returned or payments for lost textbooks are made.**

Please take note of the dates and times when we will issue the textbooks to the different Grades:

Day	Times	Grade 8	Grade 9	Grade 10	Grade 11

Civvies may be worn on 10 and 15 December.

No reports will be issued BEFORE Tuesday 15 December because the sign off from the WCED will only be done on Monday afternoon. No reports will be emailed. Parents may, however, email the Grade Heads should you wish for your daughter's report to be collected by one of her friends (no report will be handed over without this email request). Should you prefer, parents may collect reports from Reception between 10:00 and 11:00.

We want to wish all Rhenishers a blessed and restful holiday. A letter explaining the procedure for the first week back in school in 2021 will be communicated to parents and girls in January before school starts on 27 January 2021.

Please do not let your guard down over the holiday period – continue to practise Covid19 safety measures and ensure the health and safety of yourself and your loved ones.

We look forward to welcoming you all back in 2021.

Yours sincerely

Ms E H Slabber
Principal
