Dear Parents and Guardians

End of Term 3 and Start of Term 4: Arrangements

In a year of challenges, this term has been a particular challenge for many of us and I am sure that you are all looking forward to the brief school break. For the matrics, the end is in sight and it is now about that final *push* as you head into the home straight. A letter regarding arrangements for the final two weeks for the matrics will be sent tomorrow. For the rest of the learners, there is probably a month of schooling until they too start their year end exams.

With only a couple of exams left of their prelims, the Grade 12s are abuzz with plans and appointments for their Matric Gala Dinner on Friday 1 October. We know this is going to be an incredible evening for them and we hope that they enjoy every moment.

We will not be issuing reports on Friday - reports for the entire school will be issued at the end of the first week of Term 4. The staff will be involved in a workshop on Diversity on Friday from 8:00 – 12:00.

School returns for Term 4 on 11 October. All girls are then to be wearing summer uniform. Please ensure that they do not mix items of summer and winter uniform.

During the course of the first week of Term 4, all learners will also participate in a Diversity Workshop:

11 October	Grade 11
12 October	Grade 10
13 October	Grade 9
14 October	Grade 8

On 15 October, all Grade 9s will write the Western Cape Education Department's Systemic Tests. These are administered by the WCED and focus on English and Mathematics. The learners do not need to prepare for this at all.

I trust that you will enjoy the break from the school routine even if you are not actually 'on holiday'. Please, especially the Grade 12s, stay safe and continue to apply all Covid-19 safety precautions.

Yours sincerely
