

# RHENISH GIRLS' HIGH SCHOOL

*The Oldest Girls' School in South Africa*

**Principal: Ms E H Slabber**

**28 September 2021**

Dear Grade 12 Parents and Learners

## **Arrangements for the Final Weeks of School**

We are in the last stretch of this year and the end goal is in sight. The preliminary exam went very well and we want to thank our learners for their excellent behaviour that made managing this exam a pleasure.

We want to make sure that our learners are prepared as best as possible for their final exam. Unfortunately, the announcement of the National Election date as 1 November has resulted in the NSC exams being moved forward and we once again lose teaching time. This is a challenge for subjects that are already under pressure to complete the required syllabus.

Find attached the programme for the first two weeks after the school holiday. This programme was drafted after careful consideration to ensure that all subject content is covered thoroughly before the exam. Hostel learners will be able to stay in on Friday 15 October in order to attend the Mathematics class on the Saturday. We want to thank our Grade 12 subject teachers who are always willing to invest additional time to ensure that our matrics can feel confident heading into the final exam.

Please ensure that your daughter is at school every day after the holiday - these final teaching days are crucial to provide feedback from the prelim exams and to close any possible gaps before the final exam.

The timetable for the final NSC exam is also attached to this mail.

We wish our grade 12 learners well for the upcoming holiday and strength for the last few days of school.

Yours sincerely

**Mrs R van Dyk**  
Grade 12 Grade Head
